Dear New Client:

Welcome to my practice. I am a Licensed Social Worker in the State of Ohio and have been a clinical social worker since graduating with a Master of Social Work degree in 2018. I am committed to providing you with counseling that meets your expectations and help you work on the goals that you have identified as the most important to you.

Please complete this packet of information and provide your insurance information so I am able to keep it on file. I accept self-pay and am currently working under the license of my clinical supervisor, Jennifer Haywood, LISW-S, LICDC-CS. All insurance claims will be billed under my supervisor.

If you do not show for an appointment and do not call, you will be charged the entire session fee. Please call within a 48-hour time period to cancel and reschedule. Late fees range anywhere between \$50-\$95, depending on the nature of the schedule appointment. I'm committed to being on time for your appointment and hope that you attempt to do the same. If you are 15-minutes late to your appointment, there is no guarantee that we will be able to complete a full session; however, full-service fees will still be charged. Please be sure to call ahead if you see this as a possibility.

Thank you for choosing to work with me and I look forward to serving you!

Respectfully,

Scott Colin Winter, MSW, LSW
